

PREVENTING CHILD SEXUAL ABUSE IS A JOB FOR ADULTS

On behalf of the Crawford & Wyandot County Sexual Assault Response Team, HelpLine will provide **Stewards of Children**, a presentation which provides practical tools and skills to prevent child sexual abuse. This presentation includes materials, workbooks, and quick guides for future use. A great way to catch up on continuing education for only \$20 (2 CEUs available).

We will be offering community presentations scheduled in both counties but feel free to contact us to set up onsite training for your school, child care center, church, or other group. We can come to you! We need a minimum of 5 participants to provide these presentations and can help you promote it within your group!

What is Stewards of Children?

Stewards of Children is a prevention training program that teaches adults how to prevent, recognize, and react responsibly to child sexual abuse. The program is designed for organizations that serve youth and for individuals concerned about the safety of children. It is the only nationally distributed, evidence based program proven to increase knowledge, improve attitudes, and change child protective behaviors.
