

## HelpLine GUARDING THE SACRED: LIFE

## **Our 2019 Annual Report**

in moments of crisis and connections to human services, we remain ready to protect and preserve a supportive community ecosystem. We know that in order to guard the individual, family and community. We must engage our partners in prevention to share in the responsibility to promote awareness, prevention, resilience and bold solutions. We match our commitment to strengthen the emotional health and wellness of our community with rigor, as this is what our mission demands – and what people deserve. We stand firmly on the front lines, creating a transformative culture of care and connectedness - because life depends on it. We are HelpLine.

#### We are good stewards of our resources.
