COVID-19 Shopping Checklist

Top 10 Things To Buy To Prepare for COVID-19

Ohio Department of Health Director Amy Acton, M.D., MPH suggests the following household items to prepare for a possible quarantine or isolation due to COVID-19:

☑ Nonperishable food items like:
  - Canned fruits and vegetables, canned or powdered milk, broths, soup, meat products or fish, beans, stews, and any other canned items your family likes.
  - Snack items like peanut butter, jelly, crackers, nuts, and granola bars.
  - Frozen meals.
  - Baby food or special items your family members may need.

☑ Water and liquids with electrolytes like Pedialyte or sports drinks.

☑ Medications for all members of your family, including prescription medications and over the counter medicines like antacids, cough and cold medicines, pain relievers, and vitamins.

☑ Household items like toothpaste, soaps and shampoos, toilet paper, diapers if necessary, laundry detergent and disinfectant wipes.

☑ Entertainment items like video games, movies or shows, board games, card, reading materials, and anything else your family could do to stay entertained for extended amounts of time at home.

Stay home when you are sick

Avoid contact with people who are sick

Get adequate sleep and eat well-balanced meals

Wash hands often with water and soap (20 seconds or longer)

Dry hands with a clean towel or air dry your hands

Cover your mouth with a tissue or sleeve when coughing or sneezing

Avoid touching your eyes, nose, or mouth with unwashed hands or after touching surfaces

Clean and disinfect "high-touch" surfaces often

Call before visiting your doctor

Practice good hygiene habits
