

Southeast Healthcare is open and remains committed to serving our community. Our top priority is ensuring the safety and well-being of our clients, communities and staff.

Southeast is now offering Telehealth for new and existing clients. By working with you remotely, we can provide information, care and resources while preventing the potential spread of COVID-19. The services include:

Counseling
Case Management
Nursing
Psychiatry
Primary Care
Crisis Intervention

For more information or to schedule an appointment call us today:

Belmont County (St. Clairsville) (740) 695.9344

Carroll County (330) 627.3954

Delaware County (740) 695.7795

Franklin County (614) 360.0222
